To Whom it May Concern,

Mr. David Streitfeld has been the on site manager of a paint crew for the College Work Paints Program at my home during the month of May 2006. Mr. Streitfeld has conducted himself in a very professional, courteous manner while, estimating, coordinating, organizing his crew and painting the exterior of my home.

Although I have a rather difficult and unpredictable work schedule, Mr. Streitfeld was understanding and flexible while making appointments for the estimate and preliminary checks prior to starting the paint job. He answered all of my questions in a timely fashion and utilized his resources in order to give me correct information and quality service.

His crew was courteous and respectful while working at my home. They all worked very hard to provide my home with a quality paint job.

Mr. Streitfeld and the entire crew listened to my questions and concerns during their work and any issues I had concerning my home were addressed promptly.

My home looks great and certainly reflects the hard work of Mr. Streitfeld and his crew.
